

DE SCHELDE (HÉ, WAT EEN PLEZIERIGE ZOTTIGHEID!)

Regisseur: Jan Fabre

Registration of a kind of ceremony. In this black and white film, Jan Fabre, sitting in a little boat, puts some words to the water of the river Scheldt in blue glass, the words appearing in the title. After a while a little blue owl also drifts away. Fabre's ode to the river, a return-gift. (bron: argosarts.org)
